Election/Restrictions

Claims 1-5, 7-19, 24-41, 44 and 45 are directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 20-23, directed to the process of making or using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement as set forth in the Office action mailed on October 20, 2004, as was the restriction requirement set forth in the Office action mailed on November 29, 2005 in an earlier communication to applicant, is hereby withdrawn. In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claims including all the limitations of an allowable product claim or rejoined process claim are presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

In regard to claim 1, the reasons provided by applicant in the response received May 24, 2005 in the remarks beginning on the last two lines of page 12 through line 3 on page 14 are incorporated herein as the reasons for allowance. As to claim 10, the reasons provided by applicant in the response received May 24, 2005 in the

remarks on page 15, ¶1 are incorporated herein as the reasons for allowance. In regard to claim 11, this claim incorporates the mounting hook of claim 10 verbatim and is allowable for the same reasons as claim 10. Similarly, as to claim 24, this claim incorporates the mounting hook of claim 1 verbatim and is allowable for the same reasons as claim 1. In regard to claim 20, this claim incorporates all the limitations of allowed article claim 10 therein and is thus allowable for the same reasons as claim 10 is allowable as indicated by applicant in the remarks received March 10, 2006 on page 10, ¶1 and ¶2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
